Temporary King County Ballot Drop-off Van at SeaTac City Hall

We are pleased to announce that the King County Department of Elections will operate a temporary ballot drop-off van in the parking lot of SeaTac City Hall during the upcoming election. In an effort to give King County voters more opportunities to return their mail ballots without the cost of postage, King County will be operating 11 vans around the County. SeaTac City Hall was chosen as an ideal site for one of these vans. The van will be staffed with King County Elections Department personnel who will collect ballots from voters.

Camp Compassion

2013 Camp Compassion ended on Friday, July 23 with a pet adoption event at Valley Ridge Park. Two dogs were adopted and \$111.00 was raised for the Regional Animal Services of King County

National Night Out

National Night Out is Tuesday, August 6. National Night Out began in 1984 as an effort to promote involvement in crime prevention activities, police-community partnerships and neighborhood camaraderie to send a strong anti-crime message to potential criminals. SeaTac neighborhoods have participated for many years. There are 21 events currently planned around the City, with 500 projected attendees.

Operation Cross Country

On August 23, 25 and 27, SeaTac Street Crimes Detectives participated with the FBI and other law enforcement agencies in "Operation Cross Country". Operation Cross Country is part of the Innocence Lost National Initiative that was created in 2003 by the FBI in partnership with the Department of Justice and the National Center for Missing & Exploited Children (NCMEC). The sweep took place in 76 cities and was carried out by the FBI in partnership with local, state, and federal law enforcement agencies and the National Center for Missing & Exploited Children (NCMEC) as part of the Bureau's Innocence Lost National Initiative. It is the seventh and largest such enforcement action to date, resulting in the recovery of 105 sexually exploited children and the arrests of 150 pimps and other individuals nationwide.

Safe Rider Citations

With sun and good weather come more people enjoying outdoor activities, which include riding bikes. Remember if you are riding a bike, skateboard or scooter, it is the law to wear a helmet. Our SeaTac Officers and Community Service Officers are actively looking for children wearing their helmets. Safe Kids has partnered with WA McDonalds and Law Enforcement agencies to provide "Safe Rider Citations" to all children wearing their helmets. The "Safe Rider Citation" is good for one free happy meal at any WA State McDonalds. The City wants to commend children for following the law and for making safe choices! If you have any questions about bicycle safety, a link has been provided for Cascade Bicycle Club, www.cascade.org/Home/.

Cooking Oil Fire Displaces Family

On July 26 at approximately 6:30 PM, SeaTac Engine 46 and 47, Battalion 45 along with mutual aid units were dispatched to a reported spreading stove fire in the 16000 block of Military Road South.

The fire started while the family was heating oil to cook with. One of the occupants threw water on the fire hoping to extinguish it. This caused the fire to spread as the burning oil was splashed all over the kitchen. The fire damaged all of the appliances, walls, and cabinets. Firefighters were able to extinguish the fire quickly and keep it from spreading. Smoke damage was evident throughout the house.

The family of six was fortunate to escape with no injuries. The two adults and four kids will be staying with family. Always cook with the lid of the pan you are using close by. In the event of a fire, place the lid on the pan while wearing an oven mitt to extinguish the flames. Slowly move the pan to an unused burner and turn off the hot burner. Do not lift the lid.
