Police Representatives Attend Bow Lake Park Community Meeting

Crime Prevention Officer Rich Rowe led a panel of guest speakers at the November 19 Community Meeting at Bow Lake Park. Chief Mulligan and Community Service Officer Eloise Kruger completed the panel, invited to address basic crime prevention tips and listen to the concerns of the residents. Officer Rowe opened by saying “In addition to answering your questions, we’re hoping we can use this time to get to know each other”. About a hundred enthusiastic residents and members of the management participated as though “getting to know each other” was important to them as well. It was a good evening of honest interaction about important topics.

Please Welcome Deputy Jen Herr to the SeaTac Police Staff

Deputy Herr has been a police officer for about three years; two years with the King County Sheriff’s Office. She has worked patrol in White Center, Skyway, and North King County. Jen grew up in Burien and went to Kennedy High School. Several of her family members still live locally, so her ties to the community are strong, even outside of work. She is excited to be home, serving the community she knows so well.
