

City of SeaTac Fire Alarm Checklist

Community & Economic Development
206-973-4750

- Complete application.
- Valid State Contractor License and City of SeaTac Business License.

Fire Alarm Installation – Two Permits Required

Permit #1 – FIRE ALARM

- **Three Sets of Plans**
- Provide Wiring Schematic To Scale that includes:
 - Panel location and type.
 - Device locations.
- Panel battery calculations.
- Device cut sheets.

NOTE: All systems shall be monitored by an approved supervising station in accordance with NFPA 72.

Permit #2 – WIRE

- **Two Copies of a Layout plan**

This permit is for the electrical wiring and equipment Per NEC 70, and can be used as a get started permit.

Note: Both fire alarm permits must be submitted at the same time. Permit #2 can be issued while the fire alarm installation permit is under review.
