The CAC may also provide additional input, feedback and guidance to the RFA staff and RFA Governance Board on issues critical to developing a strong relationship between the community and the RFA.

The member selected by the Governance Board's interviewing process shall be appointed for a three (3) calendar year term or until the member's successor is appointed.

Fire at Angle Lake Park Restroom Building

Around 2:00 AM on Thursday, December 26, a fire was started in a portable toilet at Angle Lake Park. The portable toilet had been placed adjacent to the restroom building while the restrooms were temporarily closed in order to repair pipes that broke during the cold weather. The fire damage is estimated at \$40,000 and the City has filed a claim with our insurance company. Even with the fire damage, the restrooms are open and functional until they can be repaired.
