Sound Transit Awards Contract for S. 200th Link Extension Parking Garage

The Sound Transit Board awarded a \$29.9 million contract to Harbor Pacific/Graham, a joint venture, to design and construct a 1,050-stall parking garage and plaza next to the future Angle Lake light rail station.

"With ample space for people to live, work, and shop, the new Angle Lake station will serve as a true transit-oriented development south of the airport," said Sound Transit Board Chair and King County Executive Dow Constantine. "And anyone who's searched for a spot at area park-and-ride lots will appreciate the 1,000 stalls in this garage."

Free Tax Help from the United Way

Angle Lake Family Resource Center and United Way of King County's Free Tax Campaign are partnering to offer free tax services to SeaTac residents. From now until April 15, anyone making under \$52,000 a year can drop in and have their taxes prepared for them in their own language.

In addition to tax help, benefits volunteers will also be on site to help with health care enrollment, credit pulls, and money for college or food. United Way Community Resource Exchange

The Community Resource Exchange connects people experiencing homelessness with resources they need—all in one place, on one day.

Organizations volunteer to provide services like: flu shots, dental checks, referrals for housing and counseling, connections to job training programs, library cards, and much more. These services may seem basic, but having them available all at once is extremely helpful if your home is a shelter or the street. Plus individuals volunteer to host supply drives and collect essentials like socks, shampoo and deodorant that we bundle into a care package for the Community Resource Exchange guests.
