

2015 - 2016 Human Services Funding

Application Process

In addition to scoring the on-line application, the SeaTac Human Services Advisory Committee has identified six Results for SeaTac (conditions of well-being for the city's residents) and Strategies to improve those Results. Applications will be scored on how well they address these Results and Strategies. Fund allocation will be based on what Strategies agencies use and how well they can address the Results using those Strategies.

Applicants to the City of SeaTac must UPLOAD no more than one written page that identifies the Results their programs/services address, the strategies they will use to address those Results, and how the agency will implement those strategies. The Results/Strategies can be downloaded at <http://www.ci.seatac.wa.us/index.aspx?page=107>.
